Welcome to our practice!

My staff and I are looking forward to meeting you. I would like to take this time to personally thank you for choosing me as your psychologist at this point in your personal growth. It is a difficult, yet courageous, thing to do – to share your innermost thoughts, feelings and burdens with a professional therapist. I hope that I can help you in your journey.

We respect your time and we request the same in return. We ask for at least a 24-hour notice for cancellation or rescheduling of appointments so that we may schedule another patient. If we are unable to fill your time slot with another patient, due to last minute changes or “No-shows”, we ask for compensation for the time lost.

Please remember to bring other necessary items to your first appointment, such as; identification (driver's license), your insurance card and your co-payment, if one is applicable, and the completed intake paperwork.

Feel free to contact our office should you have any questions.

I look forward to working with you and helping you achieve your goals in your personal growth.

Sincerely,

Diana Wright, Psy.D
